

## DIRECTIONS

Our office is conveniently located in the Tower Hill Physicians' Park west of Highway I-75, south of Newberry Road (SR-26) and just off Tower Road and W. University Ave in Gainesville, Florida.

**John W. Tyrone, M.D.**  
**108 N.W. 76th Drive, Suite A**  
**Gainesville, Florida 32607**  
**352.332.1150**

**From Gainesville:** Take Newberry Road to Tower Road (NW 75th Street) and head south. Drive 1/2 mile south on Tower Road, and turn right at W. University Ave (second traffic light). Drive to the end of W. University Ave and our building is on your right. Look for the sign that says "North Florida Plastic Surgery".

**From Jacksonville:** Take I-10 west to I-75 south. Travel approximately 45 miles south on I-75 to the Newberry Road exit. Turn left (west) on Newberry road and travel 2/10ths of a mile to Tower Road (NW 75th Street) and turn left (south). Drive 1/2 mile south on Tower Road, and turn right at W. University Ave (second traffic light). Drive to the end of W. University Ave and our building is on your right.

Alternatively, if you are familiar with traveling between Jacksonville and Gainesville, taking Hwy-301 to Hwy-24 near Waldo is a convenient route. From Waldo travel 12 miles on Hwy-24 to NW 8th Avenue, then turn right. NW 8th Avenue becomes Newberry Road, and Tower Road will be 7 miles on your left. Continue as described above.

**From North or South Florida**(Alachua, High Springs, Lake City, Ocala): Take I-75 to the Newberry Road exit. From either direction, turn left (west) on Newberry road and travel 2/10ths of a mile to Tower Road, and turn left. Drive 1/2 mile south on Tower Road, and turn right at W. University Ave (second traffic light). Drive to the end of W. University Ave and our building is on your right. Look for the sign that says "North Florida Plastic Surgery".
